

Leabank Care Home

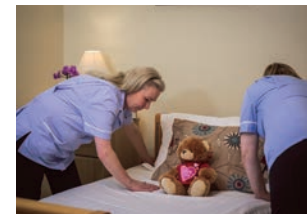

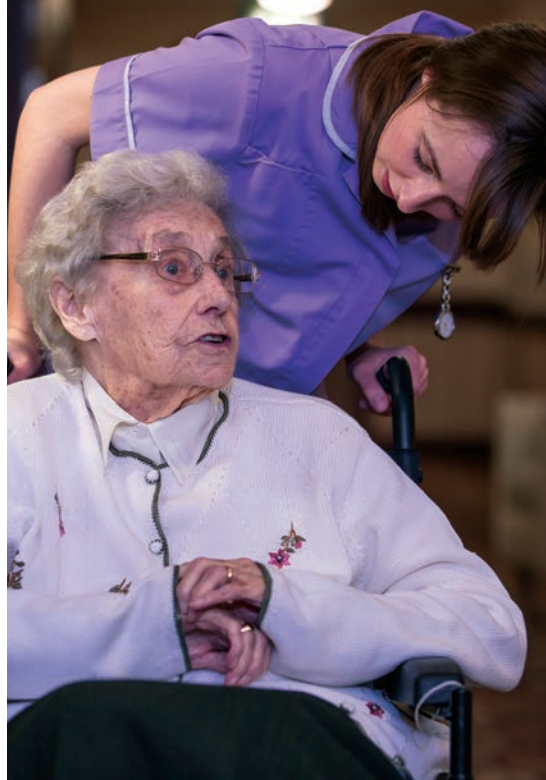

Our Leabank Care Home is the epitome of luxury and style. Its superb location, right in the centre of Ballycastle, means our residents are close to the town's amenities. And the icing on the cake? There's a beautiful beach nearby – perfect for breathing in some fresh sea air.

All our residents are actively encouraged to get involved, with weekly activities planned, along with time spent sitting reminiscing about the good old days with friends who love to listen, engage and enjoy.

Sometimes the best thing you can give is your time.

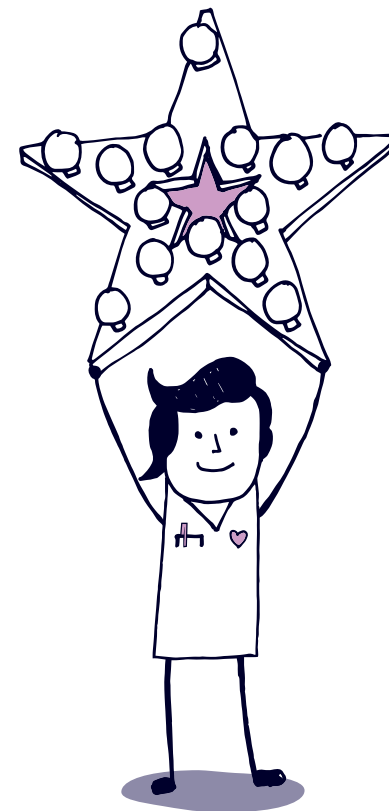

We offer specialist care...

We offer the very best in day, respite and elderly care with additional specialisms in the care of younger adults and physical disabilities.

We care for our residents

We care for our staff, we care that there are fresh flowers in our foyers, we care that our carpet is a thicker pile than normal because it's softer on the feet, we care when it's someone's birthday, or when someone just wants a friend to talk to.

We care that all our residents are served only the finest home-cooked food, that there is always fresh water on hand, that their laundry is taken care of and that respect and dignity are given at all times.

**We're there,
because we care.**
