

Ratheane Care Home

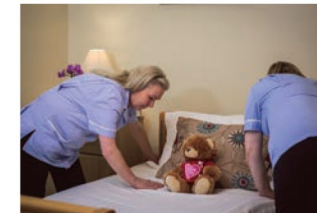

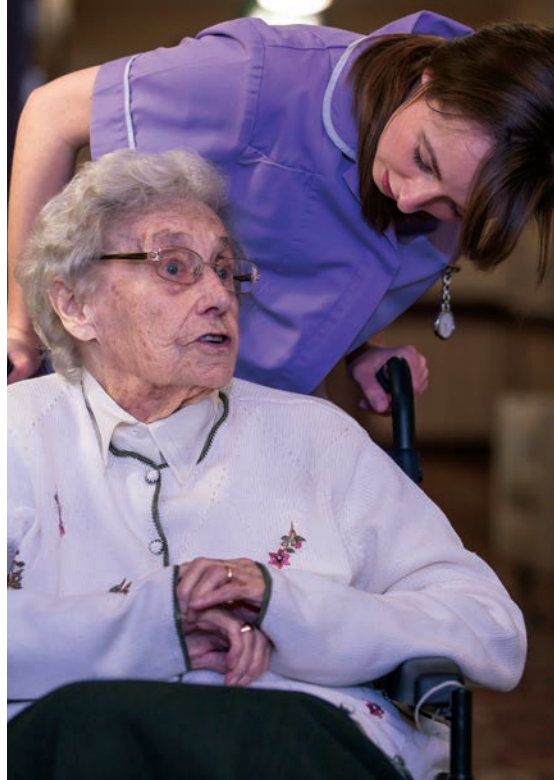

After 35 years of continuous commitment and development at our Care Home in Coleraine, we've come to know a thing or two about what makes our residents happy.

Whether it's arranging to bring in a pet, a spell in the garden; either enjoying the fresh air or tending to some bedding plants, we encourage all sorts of gentle activities to keep everyone active, engaged and part of the group.

There is always someone around. We're like one big family and that's just how we like it.

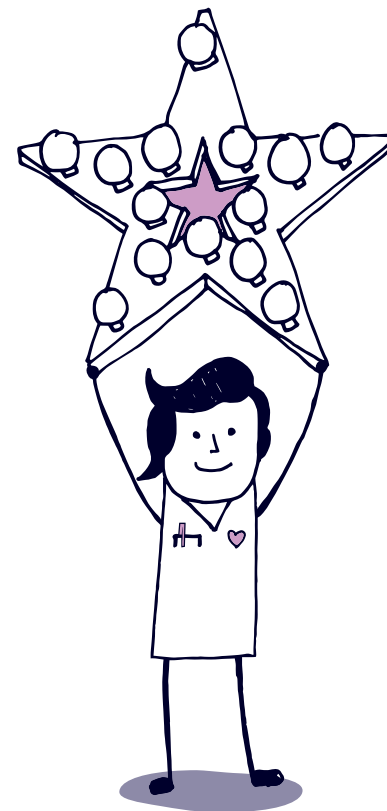

We offer specialist care...

We offer the very best in residential and nursing care with additional specialisms in the care of younger adults and physical disabilities.

We care for our residents

We care for our staff, we care that there are fresh flowers in our foyers, we care that our carpet is a thicker pile than normal because it's softer on the feet, we care when it's someone's birthday, or when someone just wants a friend to talk to.

We care that all our residents are served only the finest home-cooked food, that there is always fresh water on hand, that their laundry is taken care of and that respect and dignity are given at all times.

**We're there,
because we care.**
